Dear Sir:

Under 37 CFR §§1.56 and 1.97, applicant directs the Examiner's attention to the documents listed on attached form PTO/SB/08A. Copies of the listed documents are also attached. Neither this Statement nor the listing of the documents on Form PTO/SB/08A is an admission that the documents are prior art as to the applicant's invention or a representation that a search has been made or that no more pertinent documents exist. Applicant respectfully requests that the attached documents be considered by the Examiner and made of record in the referenced patent application. Each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office (the European Patent Office) in a counterpart foreign application not more than three months before the filing of this statement. If, however, the office considers a fee to be due, it is authorized to deduct the fee from Deposit Account 12-0090.

Respectfully submitted,
